

Know Your Traffic Laws

Prepared in Cooperation With the
Torrance Police Department

Traffic Box Score
(As of July 1)*

Fatalities	6
Injury Accidents	245
Persons Injured	345
Non-Injury Accidents	319

*Box score of all accidents investigated by
Torrance Police Department since Jan. 1, 1961

Many times officers find that motorists are unsure of the proper procedure to follow when they have been involved in a traffic collision.

The California Code, official guide for all traffic laws in the state, is specific on the matter.

If you have an accident of any kind while driving, you are required to:

1. Stop and render aid. (V.C. Sec. 20003.)

2. Notify local law authorities or a California Highway Patrolman if anyone is hurt or killed. (V.C. Sec. 20008.)

3. Identify yourself and show your driver's license and registration card to the other driver or persons involved or to any officer. (V.C. Sec. 20003.)

4. Make a full written report on the accident to the California Highway Patrol within 24 hours in case of injury or death. If the accident is in a city make your report to the local police department. (V.C. Sec. 20008.)

5. Make a full written report on departmental report Form SR-1 to the Department of Motor Vehicles, Financial Responsibility, Sacramento, within 15 days of any accident involving death, injury or damage in excess of \$100 to the property of any person, including yourself. Suspension of your driver's license and the vehicle registration may result from failure to do so. See Fi-

nancial Responsibility (V.C. Sec. 16000.)

6. If you hit a parked car or damage other property, make an immediate effort to find the owner and identify yourself before you leave the scene. If you are unable to do so, leave a note with your name and address, name and address of the owner of the car you are driving, and stating the circumstances of the collision. If it is an unattended vehicle that you have hit, leave the note to it or securely attached to it. Notify your local police or the California Highway Patrol within 24 hours. (V.C. Sec. 20007.)

7. If you have parked a vehicle and it becomes a runaway vehicle, striking another unattended vehicle, notify the owner and report to authorities as in "6" above. (V.C. Sec. 20007.)

To make reports of accidents which occur within the city of Torrance, the proper forms may be obtained at the Torrance Police Station at the Civic Center.

The nearest Sheriff's substation, or station of the California Highway Patrol can assist those who have accidents in other areas.

Failure to make the proper report within the required time can result in the suspension of the motorist's driving license and vehicle registration. Lt. Don Nash, head of the Torrance Police traffic bureau, emphasizes.

El Camino College Begins Fall Registration, Tests

New full-time students at El Camino College may now initiate registration procedures for the fall semester. W. Holmes Smith, assistant director of student personnel in charge of counseling, announced today.

Prior to registration, prospective full-time students must first secure reservations for appropriate placement tests and the college ability test. When these tests have been completed and the high school transcript of record has been received by the college, the student may make an appointment for counseling and registration.

During the appointment, the prospective student will meet his counselor with a small group of other students to discuss educational objectives, plan individual programs of courses and register in classes.

Doctors Attend Heart Clinic

Local physicians were given an opportunity to learn the new "external cardiac compression" method on Wednesday, July 12, at a Los Angeles County Heart Assn. workshop clinic, held at California Hospital.

The new method brings about heart resuscitation through manual pressure applied to the external chest cavity, which, in turn, manipulates the heart.

Doctors in this area will assume responsibility for training of emergency paramedical personnel in the method.

Although tests will be given throughout the month of August, Smith advises students to seek early appointments, which will enable them to complete the registration process well in advance of the opening of fall classes on September 11.

Annual Park Store Days Tomorrow

McMaster Park will observe its annual Country Store Days on Bike Derby tomorrow. North Torrance youngsters may enter the Bike Derby, starting at 1 p.m. Awards will be presented in six categories—put and take, snail race, obstacle course, water race, suitcase relay, and best decorated bike. Participating youngsters will receive a free book on "Bike Fun," plus an emblem for their T-shirts.

From 10 a.m. to 4 p.m., the park will hold its Country Store Days, with items brought in by youngsters. Such items as old jewelry, ceramics, comic books, and other bric-a-brac, will be sold for not more than five cents each. Proceeds will go toward a spaghetti dinner to be held in August.

Approximately two million pounds of butter and 12½ million quarts of milk are sold daily in U.S. restaurants. Americans eat some 80 million meals daily outside of the home.
